3Tre is the oldest international ski race in Italy with over 70 years of history. An event that has contributed over many years to the growth of the skiing culture in the Alps and has been the scene of countless sporting enterprises of the greatest skiers of the past.

However, the great history of 3Tre is made up of a lot of experience and professional excellence consolidated over the years by those who create and work on this great event.

Professional excellence that 3Tre seeks and finds above all among suppliers such as SPM which offers quality services and products to guarantee great reliability.

The relationship between 3Tre and SPM has been active and consolidated by many years and the hope for the future is to continue the positive collaboration.

Thank you very much for your efforts, the great support and good cooperation

Kind Regards
